A Welcome Message from Mayor Gillian

Dear Friends,

Ocean City is excited to provide new services and enhancements to the already exceptional program at the Howard S. Stainton Senior Center within our Community Center. Starting on Feb. 1, the City will assume responsibility for all programs. All existing meal, fare-free transportation, and other services will remain the same or be improved.

We have experienced and dedicated new staff members who are planning to create a fun and relaxing atmosphere with lots of new programs, classes, clubs, day trips, special events, educational resources and more. We're planning to renovate the interior of the Senior Center, including floors, lighting and furnishings. We also will have a chef on site to prepare fresh daily lunches, snacks and refreshments.

Our Community Center is a one-of-a-kind facility and our seniors are the bedrock of our community. They deserve only the best. We hope to expand hours and programs, and look forward to working in partnership with all Senior Center participants as we move forward.

Warm regards,
Jay A. Gillian
Mayor
