If you do not receive a colored card, please place your paddle in the rack upon scanning in.
- Warm ups are limited to 5 minutes.
- First game of each session: Play 1 game. Losers leave the court and put their paddle at the end of the line in the rack. Winners stay for 1 more game then leave the court win or lose of the 2nd game.
- 2 players on and 2 players off is the rotation after the first game of the session. You play 2 games win or lose then leave the court and place paddle back in the racks.
