

Cape May County's COVID-19 Testing

Stop the Spread of COVID-19 by Doing the Following:

- Clean your hands often, either with soap and water for 20 seconds or a hand sanitizer that contains at least 60% alcohol.
- Avoid close contact with people who are sick.
- Put distance between yourself and other people (at least 6 feet).
- Cover your mouth and nose with a mask when around others.
- Cover your cough or sneeze with a tissue, then throw the tissue in the trash.
- Clean and disinfect frequently touched objects and surfaces daily.
- CDC recommends that people wear masks in public settings and when around people outside of their household, especially when other social distancing measures are difficult to maintain.
