Additional Narrative

Narrative Prompts: A detailed assessment as to whether representation has improved for any previously identified underrepresented groups
A description of the data used to determine the existence of any underrepresentation.
Any new or modified Program goals to be implemented in the upcoming year

The Ocean City Police Department normally receives applicants who have taken the civil service examination. These applicants who live in Ocean City are representative of the Demographics of Ocean City. During this annual review of the Police Department to determine any underrepresented groups it was observed that Hispanics are underrepresented in the Police Department compared to the latest Census data. There are no openly LGBTQ+ members of the Police Department. Due to this several specific recruiting efforts have been and will continue to be made to increase the applicant pool of Hispanic Americans.

The recruiting efforts will include:

- 1) Creating a community meeting which will provide information and assistance signing up for the Civil Service test.
- 2) Posting Flyers for the Civil Service Test at local organization, churches, and High School
- 3) Contacting former Summer Officers to encourage them to take the civil service test
- 4) Advising current OCPD Officers to utilize their contacts to increase additional applicants.
- 5) Contact Community Leaders to utilize their contacts to increase applicants.
- 6) Post on Social Media the civil service announcement.
- 7) Set up scholarships for Test Prep to assist applicants with financial hardships.
